Speakers Eulogize the Chicago Platform and Tell of the Greatness of the Party Standard Bearers-Pass Resolutions Praising the Two Men Who Head the Ticket of 1908.

William Howard Taft and James Schoolcraft Sherman, as candidates for President and Vice President of the United States, and the platform adopted at the Chicago convention by the Republican party were ratified and indorsed last night by the officers and executive committee of the League of Republican Clubs of the District of Columbia, in the red parlor of the Raleigh Hotel.

Col. William S. Odell, member of the Old Boys' Club, offered resolutions ratifying the nomination of the candidates, after which several members of the league spoke on the merits of the candidates and of the work of the Republican party.

William L. Symons, vice president of the league, seconded the motion to adopt the resolutions. He said that in adopting the platform at Chicago, the Republi-

From many strong leaders, all worthy to be the
party's standard bearers, William H. Taft, of Ohio,
and James S. Sherman, of New York, have been selected. They will be most heartily supported not

With Taft and Sherman should be elected a Republican House of Representatives, and with this
achievement the perpetuation of Republican principles and Republican policies will be secured.
